SPECIAL NOTICES.

Worms. - As this is the season of the year when worms are formidable among children, the proprietors of McLane's Vermifuge beg leave to call the attention of parents to its virtues for the expelling of these annoying and often fatal enemies of children. It was invented by a physician of great experience in Virginia, who, after having used it for several years in his own practice, and found its success so universal, was induced at last to offer it to the public as a chesp but certain and excellent medicine. It has since become justly popular throughout the United States as the most efficient Vermifuge ever known, and the demand has been steadily on the increase since its first introduction to the public. This great Worm Specific may be had at all the princpal Drug Stores in Nashville and vicinity.

"While there is Life there is Hope!"-Some of the most dreadful and stubborn disseases of the Lungs ever known, have been promptly and entirely cured by Dr. C. Williams' Palmonic Balsam of Wild Cherry and Wood Naptha, after the most skillful Physicians and every known remedy had failed. We there fore say, "While there is Life there is Hope," if you use this new and popular remedy.

See long advertisement in another column. -1mo.

An Important Facil-Toe reason why that Great COUGH REMEDY, DE. C. WILLIAMS' PULMONIC BALSAM OF WILD CHERRY AND WOOD NAPTHA, is so very popular is not 9 .- AN EXPLORATION OF THE NILE, with notes ilonly owing to its remarkable virtues as a remedial agent, but it is so pleasant to take. It is a beautiful cordial, has a delightful flavor, and is so agreeable, that, when given to children, they cry for more! See advertisement in another colmarl-lm.

IL G. FARRELL'S CELEBRATED ARABIANLINIMENT

IT IS A FACT ESTABLISHED and well known that the Arabians attained a height in the knowledge of medi-cine which caused the whole world to wonder and admire. With them the science of chemistry had its b rth, and it is, therefore, not at all strange that a people so eminently suc-cessful in the healing art, and so persevering and daring in character, should, by actual and untiring experiment, dis-cover remedies far surpassing in efficiency all others, for the cure of those diseases incident to them from their mode of life. The greater part of their time being spent in hiszardous and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, paralvsis, neuralgic pains, and various inflammatory diseases, as also the most horr'd wounds, sprains, bruises, tumors, swellings, diseases of the joints, etc., etc. All these diseases ! they were so surprisingly efficient in curing, that the uninitiated looked with wonder and attributed their skill to the powers of magie. H. G. FARRELL'S ARABIAN LINI-MENT is a composition of balsams and oils, from rare plants peculiar to this country, and it was by the use of the articles composing this great remedy that not only their physicians, [but even the wild Arabs of the desert were enabled to perform such miraculous cures. The Arab steed is world-renowned for his beautiful symmetry of form, his unsurpassed speed and agility, and the incredible fatigue he is capable of enduring. Why is it? Because from the time of his birth his limbs are certainly watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, fistula, ringbone, scratches, spavin, lameness, etc., etc., are unknown. The same result will follow in all cases where H. G. Frrrell's Genuine Arabian Liniment is used in time. Therefore delay not in procuring a good supply of it, for every dollar spent in it will save you twenty, and a great deal of suffering, if not your Look out for Counterfeite!

The public are cautioned against another counterfeit which has lately made its appearance, called W. B. Farrell'
Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects. The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the

letters H. G. before Farrell's, thus-H. G. FARRELL'Sand his signature on the wrapper, all others are counterfeits. CARTWRIGHT & ARMSTRONG, and by regular authorized agents throughout the United Price 25 and 50 cents, and \$1 per bottle. AGENTS WANTED in every town, village and hamlet in

TO GURE A COLD, WITH HEADACHE AND SORE-NESS OF THE BODY, take the CHERRY PECTORAL OR gong to bed, and wrap up warm, to sweat during the night.
FOR A COLD AND COUGH, take it morning, noon and evening, according to directions on the bettle, and the difficulty will soon be removed. None will long suffer from this trouble when they find it can be so readily cured.
